RE: First meeting of the study group

The first meeting of the study group was held on Thursday, October 13, 1983. The following people attended the meeting:

Farokh Ashar, Ph.D., DUSP
Ranko Bon, Architecture
Catherine Chimits, SMArchS, Architecture
Caroline Clarke, MCP, DUSP
Lorris Mizrahi, Ph.D., DUSP
Kingsley Robotham, Ph.D., DUSP
Karen Polenske, DUSP
Alan Strout, DUSP

The following people were interested in the work of the study group, but could not attend the first meeting:

Eric Dluhosch, Architecture
Juan-Marcos Lawrence, SMArchS, Architecture
Roberto Pietroforte, SMArchS, Architecture

It was agreed that the group will meet in three weeks, on Thursday, November 3, from 3:00 to 5:00PM in 10-485, for a presentation by Farokh Ashar on his dissertation. Farokh will distribute a summary paper on local building practices in Pakistan no later than one week before the meeting.

As most people in the group found Thursday afternoon sessions acceptable from the point of view of their schedules, the study group will meet at this time in the future as well.

Please forward to me any information of interest to the group for distribution before the next meeting. Thank you very much.
